# **April 2 Proposal: Implement a Main Street Program on Jackson Avenue to incorporate the following goals and strategies for improving walkability.**

## **Comments Received:**

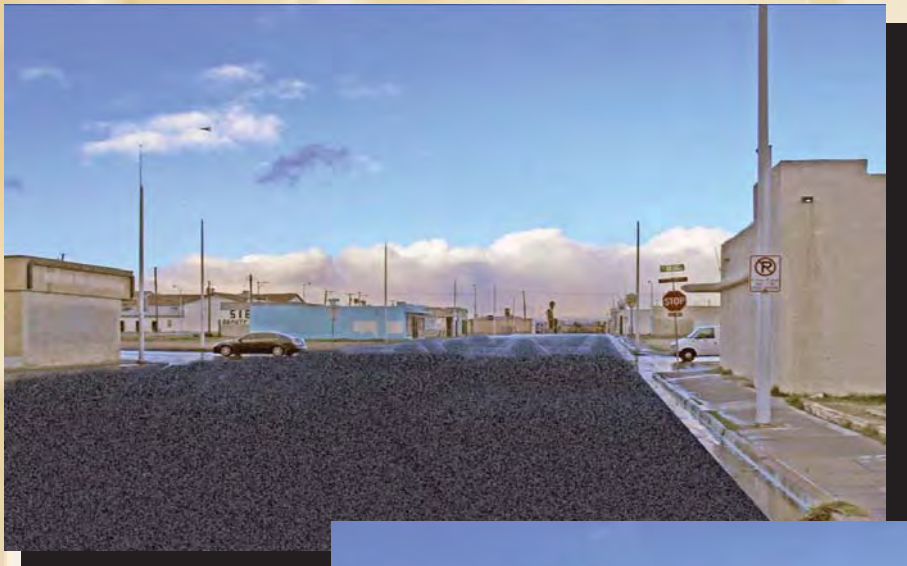

1. Provide landscaping along sidewalks and monuments representative of the West Las Vegas community.
2. Provide no medians along Jackson Avenue.
3. Provide desert landscaping in all newly developed medians.
4. Have community input on streetscape design of Jackson Street.

## **Revised Proposal:**

- ☐ Improve Jackson Avenue from D street to H Street with repaired and replaced sidewalks, repaved streets, street trees, sidewalks, pedestrian light fixtures and banners.
- ☐ Establish a Main Street subcommittee to work with staff on the streetscape design for Jackson Avenue.

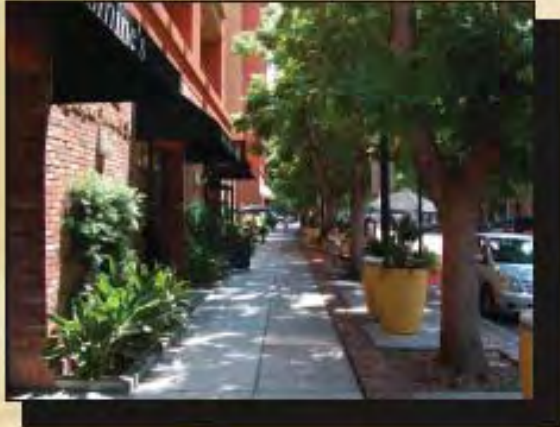

# Implement a Main Street Program on Jackson Avenue

# What Makes a Neighborhood “Walkable?”

**pedestrian facilities include:**

- ☐ sidewalks
- ☐ shade
- ☐ safety

# **April 2 Proposal:**

## **Connect infrastructure planning in West Las Vegas to the Capital Improvement process and implement complete streets.**

### **Comments Received:**

1. Implement bike lanes and maintain sidewalks.
2. Provide access along sidewalks to be wide enough to meet American Disability Act (ADA) accessibility.
3. Remove above ground wiring and poles and provide underground wiring.
4. Provide sidewalks on B and C Street
5. Improve Bonanza Road from Martin L. King Boulevard to Las Vegas Boulevard to provide sidewalks, lighting, shaded bus stops and bus turnouts.
6. Provide a pedestrian overpass across Bonanza to be concurrent with Project Neon improvements.

### **Revised Proposal:**

#### ☐ 1st Phase

- ◆ Establish bike lanes from an area bound by Lake Mead Avenue, Tonopah Drive, Washington Avenue and D Street.
- ◆ Replace and repair sidewalks and provide street trees in an area bound by Washington Avenue, H Street, D Street and I-15.

#### ☐ 2nd Phase

- ◆ Study the removal of overhead wiring and replace with underground wiring.

# Coordinate infrastructure improvements to planning priorities

*Median & Streetlight Improvements  
D Street - Washington Ave to Madison Ave*

# Complete Streets

complete streets: **designed to enable  
safe access for all users**

- ☐ pedestrians
- ☐ bicycles
- ☐ vehicles
- ☐ transit

# **April 2 Proposal:**

## **Improve the physical character and enhance the visual image of West Las Vegas through streetscape improvements.**

### **Comments Received:**

1. Delete the “Welcome to Historic West Las Vegas Sign.”
2. Provide signage reflective of Historic West Las Vegas.
3. Include area artists in the design and fabrication of the signage.
4. Display public art in parks, on sidewalks and at bus stops.
5. Provide signage to attract both locals and visitors to West Las Vegas.

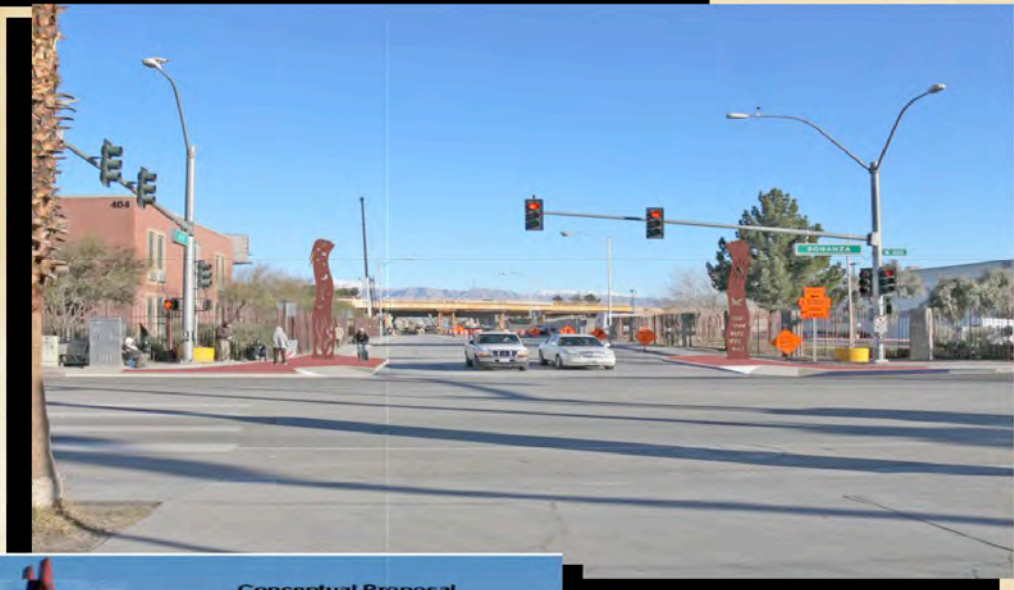

### **Revised Proposal:**

- ☐ Interested community members and stakeholders work with City of Las Vegas Arts Commission on a public art program/plan for West Las Vegas.

# **April 2 Proposal: Enhance Owens Ave Corridor through investigating the following:**

## **Comments Received:**

1. Do not proceed with the enhancement of Owens Avenue Corridor.
2. Provide access from the Historic Westside to Union Park.

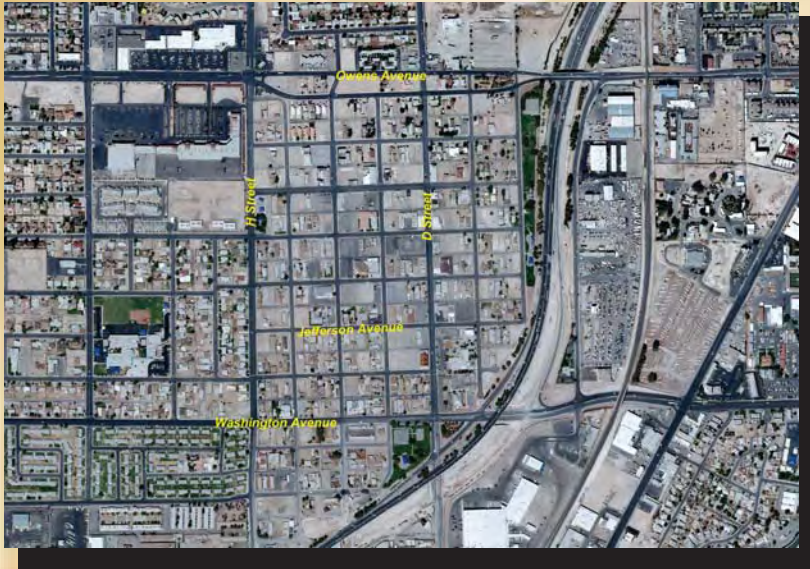

## **Revised Proposal:**

- ☐ Provide a City Parkway extension, which consists of a two-way frontage road along D Street, B Street, Losee Road, running through the West Las Vegas community to facilitate redevelopment opportunities along this new corridor.
- ☐ Realign Owens Avenue from a one-way couplet to a single four-lane road to enhance east/west circulation and encourage commercial redevelopment along this corridor.
- ☐ Provide an I-15 frontage road for direct access to Owens Avenue from the Washington interchange and the Lake Mead interchange in order to increase access into this community and to facilitate redevelopment opportunities.

# Owens Avenue Corridor

# **April 2 Proposal: Pursue the preservation, maintenance and protection of the Westside School:**

## **Based upon your comments:**

1. Proceed with the restoration of Westside School.
2. Restore Westside School in the same manner that 5th Street School was restored.

# Other Comments

1. Create a “Walk of Fame” to remember famous West Las Vegas entertainers.
2. Provide a transit center and express bus stop at Martin L. King Boulevard and Lake Mead Boulevard.
3. Provide Visual Improvement Grants to business owners and churches.
4. Preserve and promote museums that address the history of the neighborhood and its residence.
